### Ready, Steady, Cook!

Year Two have had a great start to the term and their new topic Ready, Steady, Cook! On Friday the children went to 'Chef School' to learn some important skills that they will need this half term. They learned how to peel and grate safely, how to wash their hands correctly, how to prepare fruit to make a fruit kebab and they even designed their own chefs' hats and healthy meals. They are really looking forward to using their new skills for lots more cooking activities.
