

Nursery News November 2019

The children have been finding out about autumn with a focus on nature and changes. We have been exploring autumn leaves and other natural materials like pumpkins and conkers. We did observational paintings of the pumpkins and then investigated what was inside. We collected pumpkin seeds and dyed them with food colouring. We have made hedgehogs from clay. The children have joined in with the book "Goodnight Owl" and learnt about nocturnal animals and also sorted our own routines at home into "night" and "day." We are using collage to make owl pictures. The children have been inquisitive and excited when exploring the dark den.

Our nursery Christmas performance "A Wiggly Nativity" is on Wednesday December 4th at 10am in the main school big hall. All costumes are provided but please dress your child in something easy to change in and out of. If your child normally attends nursery on a Wednesday or you have a child attending school please drop your child off at the normal time. If your child does not normally attend nursery on a Wednesday we would still love them come and take part in the play. Please drop your child off at the school small hall- through the main entrance at 9.30am. All parents and other family members are welcome to watch and after you have dropped off your child you can take a seat in the hall and have a cup of tea while you wait for the show to start!

The nursery Christmas party will be on Friday 20th December 11.30am to 1pm in the main school big hall. All children are welcome. There will be a list of party food donations in the cloakroom for you to sign up for.

We break up for Christmas on Friday 20th December. If you have any questions, comments or concerns at any time please talk to your child's key person or any member of staff.

Karen Borthwick and the nursery team.
