### Ofsted Inspection

A huge Thank You from all of us for your support throughout the inspection. The Report will be shared with you when it is published, usually within 30 working days.

### Into the Woods at RHS Rosemoor

This week Starfish and Turtles visited RHS Rosemoor Gardens. They went 'Into the Woods' following the footsteps in search of teddy bears that were hiding in the forest. When we had located them all, we sat in the story circle and heard all about the magic of the forest creatures. The children were then given a piece of clay and used the forest floor to locate natural objects to use as legs, wings, eyes and other parts that they needed. Finally they found a special place to put them in around the plants and trees where they could live happily ever after.
