Dunster Castle

This week the year 2 children have been to Dunster Castle to learn about what life might have been like long ago. They had a brilliant time investigating why castles were built, what life was like inside a castle, how to train to become a knight and they even heard the legend of the Dunster dragon. It was fantastic fun doing lots of hands on history activities.

Reception educational visit to RHS Rosemoor Exploring with our senses workshop

The Reception children had a fantastic visit to RHS Rosemoor this week. Using our sense of sight, the children explored the gardens looking for natural resources of different colours. If they had fallen off the plants they were able to collect them in their buckets to bring back to the classroom to create their own natural resource rainbow.

Recycling your bread and crisp bags

May we please ask that these are placed in the separate boxes in the foyer area as they are two different recycling schemes.

Thank you

**Chinese New Year Lunch Menu
