26th June 2020

Dear Parents and Carers,

Nursery

In the nursery as part of the topic on minibeasts the children have been inspired by the books "The Hungry Caterpillar" and "Honeybee". They have been creating large scale pictures and patterns using printing techniques.

Some children have been learning about bees this week and they have made and eaten their own honey sandwiches.

Combe Kids Club - update

Lauren from Combe Kids Club is waiting to hear the latest guidance on 4th July from the government as to whether they will be able to operate during the summer holidays. If they are able to open and you need holiday cover for your child would you please email Lauren on ckcilfracombe@hotmail.com to enable her to formulate her plans if she is able to re-open.

Thank you

School Crossing Patrol - update

Devon County have asked us to let parents and carers know that crossing procedures have changed as follows:-

- the Patrol won't use their STOP sign (lollipop) as a barrier
- listen to the Patrol's instruction - more important than ever.
- to stand two metres from the Patrol and other people when waiting to cross.
- keep, ideally two metres, from the Patrol and others when crossing
- some people are driving faster now there is less traffic
- to check for traffic if they step from the footpath on to the road, for example, to social distance from others

Thank you

With kind regards

Claire Grant
