

## Nursery Newsletter September 2020

Welcome to all children and families. It has been wonderful to have a busy nursery again and to see the children settling in so well. There are some new routines and the children have been amazing with washing their hands and adapting to the little changes. Thank you to all parents for supporting us with this and adhering to the staggered start and end times to the day and for keeping the lane safe.

We have been introducing the children to the nursery outdoor and indoor environment. They have enjoyed lots of free play, using their senses to explore, as we build relationships and a feeling of safety and security that the children can thrive and learn in. The children loved their first P.E session in the big school hall this week. We have started our group time sessions where your child spends some structured time with their key person and a smaller group of children. Your child is in ..... group and their key person is.....

All parents should now have access to their child's online learning journey through the tapestry app. Please speak to Karen if you have any problems with this or have not yet been able to access your account.

Please could children have a named coat and change of clothes in nursery everyday, thank you.

Karen Borthwick and the nursery team.
