6th November 2020

RHS Rosemoor - Year 2 - Fantastic Food

Kingfishers had a great day at RHS Rosemoor Gardens on Tuesday. Thankfully the weather stayed dry and we made the most of the outdoors. We looked for and learnt about lots of vegetables before planting some seeds of our own. We enjoyed a lovely walk in the woods and finished the day in the play area. It was a full day of learning and fun.

Road crossing patrol

There will be no road crossing patrol in operation on Monday 23rd November morning.

Parking

May we please remind parents and carers to park with care and consideration when dropping off and collecting your child at school time.

Thank you

Menu change

Please note this Wednesday 11th November we are serving Roast pork instead of Roast chicken for school lunch. Jacket potato, Quorn roast or homity pie will still be available.
