Date: 12th April 2022

Dear Parents and Carers,

Diamond Jubilee Flags

To mark the forthcoming Queen's Platinum Jubilee, children in Zebras, Lions, Elephants, Swans, Swallows, and Kingfishers classes have each designed a flag using the River of Hope arts-based learning project, which links schools around the world through the study of rivers. The River of Hope will form a central part of the Jubilee celebrations.

Red Cross

The children enjoyed learning about the Red Cross and their support to refugees. They also enjoyed the work around the sunflower, which is the Ukrainian national flower, and have produced some beautiful artwork. The school raised £61.55 for the Red Cross, thank you for your generosity.

Thank you to Pedlars for their generous donation of compost to support this charity.

Nursery

The children were very excited to watch tadpoles growing and changing shape.

Swimming timetable from Monday 25th April 2022

Please ensure your child has their swimming costume or trunks together with a towel on their swimming day.

Thank you

Monday	Kingfishers
