Dear Parents and Carers,

### Whole School Recycling Workshops

The children enjoyed learning about the different types of materials that can be recycled and how organic waste can be used to make compost. The children had to imagine the school as a huge compost bin and transform themselves into the mini-beasts that eat the organic matter that turns it into compost.

### Mr D Forest School

Mr D is out of hospital now and is recovering. The children had sent him a beautiful card which he absolutely loved. We are all missing him and wish him a speedy recovery.

### Drinks in School

Water is accessible to the children to drink during the day and cups are provided in school for this purpose. We have noticed that children are coming into school with bottles filled with squash. Please may we remind parents and carers that sugary drinks are not allowed unless the drink is included as part of a child's homemade packed lunch which is to be consumed at lunch time.

### Nursery Admissions

Letters to parents and carers about booking September sessions in the Nursery will be sent out during the week commencing 22<sup>nd</sup> May 2023. The cost of a session is currently £16.50 (a session is 3 hours long). Parents and carers may be eligible to claim free childcare for 15 or 30 hours a week from the Government. Please click on the following link to the Gov website to find out more:

[30 hours free childcare - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

Nursery forms can be collected from the school office.

Kind regards,

Claire Grant
