Dear Parents and Carers,

Plymouth Aquarium Visit - Year Two

Swans, Woodpeckers and Kingfishers had an exciting day at the National Marine Aquarium in Plymouth. They were transformed into marine scientists, carried out investigative experiments and handled amazing artefacts. The children loved watching the variety of fascinating sea creatures in the tanks.

Federation

We have arranged a series of class meetings to give parents and carers with parental responsibility an opportunity to meet with staff and governors to further explore the benefits of our federation. A federation is where two or more schools come together in a legally binding way under one governing body.

School Timings from September 2023

The Department for Education has set an expectation that state-funded mainstream schools should deliver a school week of at least 32.5 hours by September 2023.

After liaising with the Junior School, when we return from the Summer holidays our school day will start at 9.00 am and finish at 3.30 pm. The school gates will open at 8.50 am for pupils to be dropped off.

There are places available in the Nursery for September. Application forms are available from the School office.
