

Music

Our intent:

- We want our children to love music.
- We want our children to love singing and performing.
- We want our children to develop their self-confidence, creativity and sense of achievement through their musical experiences at our school.
- We want our children to listen to and engage with live music and to be inspired to take up instruments themselves.
- We want our children to have had the opportunity to learn a range to instruments.
- We want our children to experience the music of a range to composers and to talk about how music makes them feel.
- We want our children to begin to read musical notation.
- We want our children to be able to express themselves through music and relish working together as a community of musicians.
