ACTION FOR CHILDREN

Exciting things are happening in Devon to improve support for families with children. Children Centres in Devon are going to become Family Hubs, providing a flexible, network of services for families with children aged 0-19 (25 with SEND). Family Hub workers would like to seek your views and comments on how support is delivered in your local area. You can share your views with Family hub workers who will be attending Ilfracombe Infant school the week commencing 10th June during morning and afternoon pick up times. We'll all be wearing red Action For Children lanyards (along with our visitor lanyard) so you'll know how to spot us!
