Dear Parents and Carers,

Swans and Kingfishers Leavers' Assemblies

Well done to all of the Year Two children for sharing their amazing skills and their wonderful singing performance. They have so many talents and we will miss them all very much. Their new schools are very fortunate to have such amazing children.

Nature Park

Each class has been busy in their Forest School session this week planting a fruit tree. These trees were purchased using some funding from our Nature Park grant. We can already see some apples on one tree and can't wait to see which other fruits grow. We'll keep you updated.
