Dear Parents and Carers,

### Lego Robotics Workshop

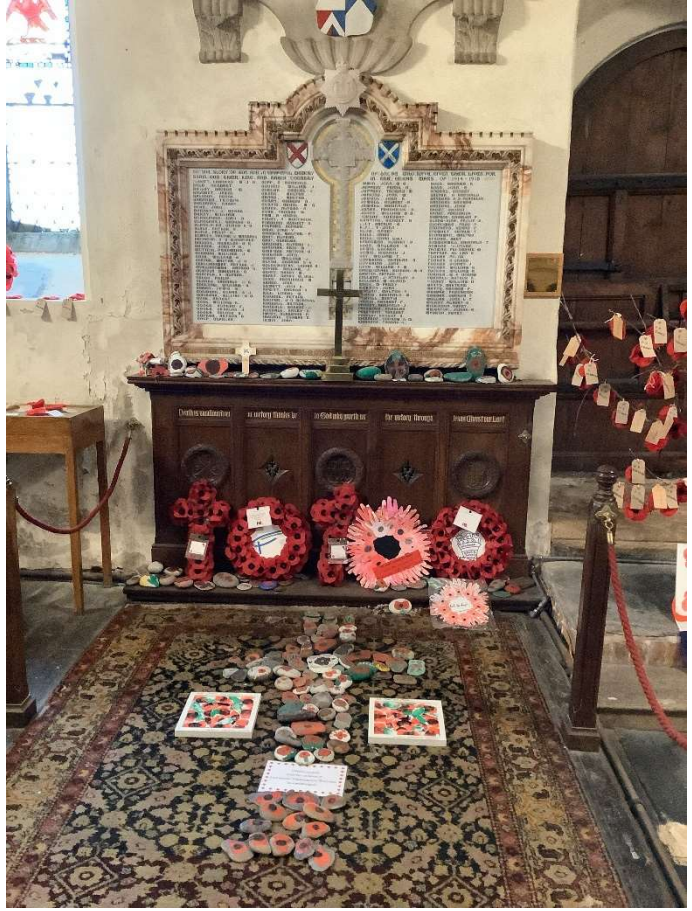

The children had a wonderful time learning how to be robotics engineers. They used a motor to create a moving Lego model and used algorithms to tell the motor what to do. They changed the colour of the lights, how long it rotated for and even added sounds.

## Remembrance Service

As part of Armistice Day the children from Year 2 visited Holy Trinity Church to take part in the children's remembrance service and parade. They sang beautifully and their behaviour was impeccable. We are very proud of the children for representing our school so well.

## Year 2, Great Fire of London

The children have had a wonderful introduction to their topic, 'Fire and Light'. They visited a local bakery and are using historical enquiry skills to find out all about the Great Fire of London. The children enjoyed writing a recipe on their aprons, and then tasting and baking their own bread rolls.

## Michael Rosen Day

The children joined a live event in which Michael read poetry to them. This year's theme, 'Funny Food: A Feast of Poems', took inspiration from Michael's love of food poems - delicious, silly, surprising and sometimes full of memories. The children loved laughing at his funny poems.

## Children in Need

Thank you for your generous donations. The children raised £56.13.
