### RHS Rosemoor

Reception classes have enjoyed their visits to RHS Rosemoor Gardens this week to explore how plants grow. In the journey through the gardens they learnt the names of the parts of a plant and began to understand how plants grow and what they need to grow healthily. They planted their own cornflower seeds to bring back to school and used the leaves and petals they collected from their garden walk to create a flower collage. It is so lovely to see the children out and about on visits again.

## Swimming

The children have really enjoyed their first week of class swimming lessons in our wonderfully warm pool.

### Swimming timetable

Day	Class
Mondays	Starfish and Woodpeckers
Tuesdays	Kingfishers, Lions and Nursery
Wednesdays	Jellyfish, Seahorses and Swallows
Thursdays	Swans
Fridays	Zebras, Nursery and Elephants

### Sun protection

During the sunny weather please ensure your child's shoulders are covered and if possible could they please bring a sun hat to school for playtimes. We do have sun cream in each classroom for use during the school day.

Thank you
