Date: 8th October 2021

Dear Parents and Carers,

Starfish and Jellyfish, Futures Farm, Woolacombe

The children enjoyed feeding chickens, pigs, ducks, turkeys and alpacas. They got to groom the shetland ponies too.

Kingfishers, Swallows and Swans, Sculpture

The children have been learning about what sculpture is and what a sculptor does. They have explored the work of Antony Gormley and used this as a starting point to create their own sculptures of the body using metal foil.

Harvest Festival

Thank you all for your generous donations for the Ilfracombe Foodbank.

Parent Governor Vacancies

Please return any nomination forms to the school office.

Kind regards,

Claire Grant
Executive Headteacher
